

Year 1

Period 1

Period 2

Period 3

Period 4

Common Courses

Integrated Product Realization

Integrated Product and Production Development

User Experience Design

Marketing Communication

Foundations of Programming

Polymer and Composite Technology

Students can choose one of these

Materials in Design

Design track

Design Philosophy and Practice

Advanced CAD Design

Design Methodology in Industrial Design Project

Realization of Industrial Design Project

Sensation Perception and Interaction in Design

Digitalization track

Applied Engineering Design

Advanced CAD Digitalization

Production Preparation and Industrialisation

Digitalization and Automation in Engineering Processes

Product and Production Platforms

Year 2

Period 1

Period 2

Period 3

Period 4

Common Courses

Research Methodology in Product Realization

Project Course

Final Project Work

Design track

Enterprise Course in Product Design

Digitalization track

Multidisciplinary Optimizatization
