

THE JU CARD'S FUNCTIONS

A valid JU Card confirms that you have access to the University's functions and services. The card verifies your status as student or member of staff at JU.

THE FOLLOWING FUNCTIONS ARE AVAILABLE THROUGH YOUR JU CARD

- Access to the premises on campus
- Borrow books from the University Library
- Easy access the printers/copiers
- Access to student discounts
- Proof of membership for Jönköping Student Union
- Proof of membership for each student association

BLOCKING THE JU CARD

A lost JU card should be blocked immediately at Self Service, ju.se/myaccount

A blocked card can not be utilized for any of its intended functions – the cancellation has an impact on all functions. If you find your card after blocking it, the card can only be reactivated by personally visiting Service Center or via Self Service on the web.

When obtaining a new card due to loss, students will be charged a fee of SEK 150. The fee is paid at Service Center and a new card is ordered by the staff.

WHAT INFORMATION IS ON YOUR JU CARD?

To update the information on your JU card you must visit a card printer on campus. You find the card printers in the entrance hall of House A, the Student Union café RIO in the Students' House or in Campus Arena. The update requires that you have paid your membership fee to the Student Union for the current semester.

The validity of your membership in Jönköping Student Union is shown at the center of the card. As a member of the Student Union you have access to all discounts provided by Mecenat and you get their logo as well. It gives you discount on travels with SJ, among other things.

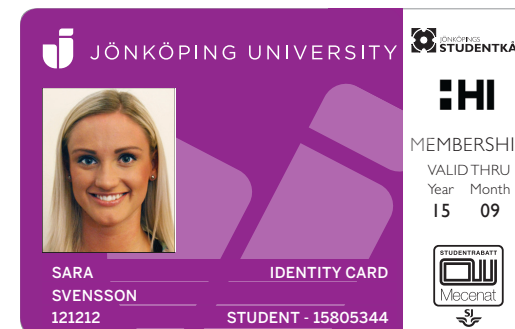

STUDENT DISCOUNT WITH THE LOCAL TRAFFIC

If you travel with a student discount with the local traffic (for example JLT and Västtrafik) you have to be able to show the Student travel symbol via your Mecenat card or Student card. The Student travel symbol is only accessed through electronic cards (the Mecenat app). You have to download the Mecenat app to your smartphone. To get discounts with the local traffic you have to study at least 50% during 10 weeks per semester. with SL and UL, you have to study at least 75%.

MEMBERSHIP CARD FOR JÖNKÖPING STUDENT UNION

The JU card is your Jönköping Student Union membership card. When you have paid your mandatory membership fee and updated your card, you can use all the benefits you get as a member.

STUDENT INFLUENCE

The purpose of the Student Union is to guarantee that all students at Jönköping University receive a high quality education and an opportunity to a good study social situation. The Student Union strives to ensure a strong student influence, that impact work can be conducted and that a student perspective always exists when important decisions are made in all boards, councils and bodies in which the Student Union is represented.

EDUCATIONAL QUALITY

If you feel wrongly treated by a teacher, or if you are unsatisfied with your education, you can turn to your Student Association who are responsible for monitoring at your school. The Student Union is responsible for the overall control of the education quality at the University.

STUDY SOCIAL SITUATION

This includes everything in your student life that is not directly linked to your education. The Student Union works for better and more affordable student housing, beneficial student discounts and a stimulating leisure time.

STUDENT INVOLVEMENT

The Student Union is run by students that work on a voluntary basis. Each year, project groups, committees and other bodies are formed to make sure that the organization is working under its best conditions. These groups include everything from the election committee to party planning committees.

STUDENTRABATTER

Through the Student Union you get access to a number of different student discounts.
