

How to find approved courses of previous/current students

[Log in to MOA](#)

Open the menu to the left and go to “Approved courses of previous/current students

Define in the search mask which course name, course code, study programme or Partner University you are interested in and hit the “Execute report” button.

The screenshot shows the 'Approved courses of previous/current students' search mask. The search criteria fields are highlighted with a red rectangular box. These fields include 'Course name', 'Course code', 'Study programme', and 'Partner University', each with a dropdown menu set to '<-- No choice -->'. To the right of these fields is a 'Selection criteria enter' button. At the bottom right, there are two buttons: 'Cancel report' and 'Execute report'.
