

How to find previous students in your MOA workflow

[Log in to MOA](#) and open the menu to the left.

There you can find two reports:

For incoming students

Define in the search mask which semester, school and exchange programme you are interested in and hit the “Execute report” button.

Jönköping University MOBILITY-ONLINE

Reload Application Workflow

Incoming Students Selection criteria enter

Semester <-- No choice --> v

School <-- No choice --> v

Programme <-- No choice --> v

Cancel report Execute report

For outgoing students

Define in the search mask which exchange programme, semester or school you are interested in and hit the “Execute report” button.

Jönköping University MOBILITY-ONLINE

Reload Application Workflow

OUT Previous Students Selection criteria enter

Exchange Programme <-- No choice --> v

Semester <-- No choice --> v

School <-- No choice --> v

Cancel report Execute report
